## Letter of agreement (for underage persons)

We are aware that this type of high ropes course and the Zipline/Flying Fox is unique in Germany. Children and teenager take part in a detailed safety instruction and regularly climb up to 15 m height. They are self-dependent for their safety without constant supervision.

We are also aware that:

- a body height of min. 1.30 m for the high ropes course and min. 1.55 m for the Zipline/Flying Fox is required
- children with a body height of 1.30 to 1.40 m need to be accompanied by an adult
- School classes and children's groups (per 5 children under 1.40 m) optionally can be accompanied by an adult or need to book additional safety staff

We are familiar with the instructions/guidelines of the high ropes course and the Zipline/Flying Fox.

**We herewith give our consent that according to the above pre-conditions**
